

Senior Vice President of Quality Assurance (GxP)

Case Study #3937

Client:

A 50 person, privately held biotechnology company with both MAA and BLA submitted for lead candidate and lacking executive leadership to transition the quality group to a commercial setting.

Search Metrics:

- 13 - Days until all candidate profiles were presented to client
- 8 – Total candidates introduced
- 62 – Days until search completed

Objectives:

- Prepare for upcoming PAI activities and launch licensures
- Organize the quality systems, compliance, and make more efficient
- Drive launch first launch in Europe

Prestige Solution:

- On site meeting to conduct full needs analysis to understand all objectives
- Implement the Prestige Performance Search methodology
- Develop unique Performance Profile describing objectives of role
- Selectively introduce profile directly to target audience
