

Case Study, Physician – Clinical Development

Example Completed Projects:

- **Chief Medical Officer**
Therapeutic Focus: hemostasis/thrombosis, oncology and immunology
Key Metrics:
6 – Days until hired candidate was presented
1 – Total candidates presented
44 – Days until search completed
- **Head of Development**
Therapeutic Focus: respiratory and inflammatory diseases
Key Metrics:
24 – Days until hired candidate was presented
9 – Total candidates presented
73 – Days until search completed
- **Senior Vice President, Clinical Research**
Therapeutic Focus: rare and orphan diseases such as epidermolysis bullosa
Key Metrics:
18 – Days until hired candidate was presented
9 – Total candidates presented
67 – Days until search completed
- **Vice President, Clinical Development**
Therapeutic Focus: Abuse-deterrent products for the treatment of chronic pain
Key Metrics:
13 – Days until hired candidate was presented
5 – Total candidates presented
110 – Days until search completed
- **Vice President Development, Imaging**
Therapeutic Focus: maternal health, anemia management and oncology
Key Metrics:
5 – Days until hired candidate was presented
3 – Total candidates presented
59 – Days until search completed
- **Senior Medical Director, Clinical Research and Development**
Therapeutic Focus: rheumatology, autoimmune disease
Key Metrics:
28 - Days until hired candidate was presented
14 - Total candidates presented
102 - Days until search completed

- **Senior Medical Director, Clinical Development**
Therapeutic Focus: Duchenne muscular dystrophy, gene therapy
Key Metrics:
2 - Days until hired candidate was presented
1 - Total candidates presented
33 - Days until search completed
- **Senior Medical Director**
Therapeutic Focus: hemostasis/thrombosis, oncology and immunology
Key Metrics:
23 – Days until hired candidate was presented
18 – Total candidates presented
98 – Days until search completed
- **Senior Medical Director, Oncology**
Therapeutic Focus: non-Hodgkin lymphoma, AML, breast cancer
Key Metrics:
9 – Days until hired candidate was presented
11 – Total candidates presented
62 – Days until search completed
- **Medical Director, Oncology**
Therapeutic Focus: non-Hodgkin lymphoma, AML, breast cancer
Key Metrics:
11 – Days until hired candidate was presented
6 – Total candidates presented
47 – Days until search completed
- **Senior Medical Director, Oncology**
Therapeutic Focus: non-Hodgkin lymphoma, AML, breast cancer
Key Metrics:
7 – Days until hired candidate was presented
5 – Total candidates presented
38 – Days until search completed
- **Senior Medical Director, Oncology**
Therapeutic Focus: chronic and acute leukemia, lung cancer
Key Metrics:
34 – Days until hired candidate was presented
4 – Total candidates presented
69 – Days until search completed
- **Senior Medical Director, Clinical Research**
Therapeutic Focus: cardiovascular disease
Key Metrics:
5 – Days until hired candidate was presented
3 – Total candidates presented
96 – Days until search completed
- **Medical Director, Clinical Research**
Therapeutic Focus: cardiovascular disease
Key Metrics:
10 – Days until hired candidate was presented
1 – Total candidates presented
38 – Days until search completed

- **Senior Medical Director, Clinical Development**
Therapeutic Focus: rare and orphan diseases such as epidermolysis bullosa
Key Metrics:
16 – Days until hired candidate was presented
7 – Total candidates presented
108 – Days until search completed
- **Medical Director, Clinical Development**
Therapeutic Focus: neurological, autoimmune and rare diseases
Key Metrics:
3 – Days until hired candidate was presented
1 – Total candidates presented
18 – Days until search completed
- **Medical Director, Clinical Development**
Therapeutic Focus: non-opioid pain therapies
Key Metrics:
36 – Days until hired candidate was presented
11 – Total candidates presented
87 – Days until search completed
- **Medical Director, Cystic Fibrosis**
Therapeutic Focus: Cystic Fibrosis
Key Metrics:
18 – Days until hired candidate was presented
4 – Total candidates presented
67 – Days until search completed
- **Medical Director, Clinical Development**
Therapeutic Focus: rare and infectious disease, DMD
Key Metrics:
8 – Days until hired candidate was presented
2 – Total candidates presented
58 – Days until search completed
- **Medical Director, Clinical Development**
Therapeutic Focus: rare and infectious disease, DMD
Key Metrics:
17 – Days until hired candidate was presented
5 – Total candidates presented
75 – Days until search completed
- **Medical Director, Clinical Development**
Therapeutic Focus: Immunology, CV, oncology
Key Metrics:
7 – Days until hired candidate was presented
4 – Total candidates presented
55 – Days until search completed
